

SPRING 2016

RENOVATION WORK TO THE HORSPATH HUB

Sponsored by WREN (WASTE RECYCLING ENVIRONMENTAL LTD.)

The Trustees of The Hub have secured a substantial grant from WREN, an organisation especially concerned about energy conservation. They are funding the following work:-

- **Replacement Roof** re-using as many of the old slates as possible.
- **External Repairs.**
- **Double Glazing**, repair and tightening of windows. There will be no difference to the appearance of the windows.

Thanks go to Horspath Parish Council for their support in securing this grant.

Sponsored by TOE2 (TRUST FOR OXFORDSHIRE ENVIRONMENT)

TOE2 is a charity that funds work to enhance renewable resources and energy efficiency. They have provided The Hub with a grant for the following work:-

- **Cavity wall insulation.**
- **Doors** - two new external doors and draught-proofing, tightening and insulation of the distinctive front door.
- **Electrics** - upgrade to low energy electrical fittings and bulbs.

Once the external work, which begins in September, has been completed, internal decoration will be done during the quiet

Christmas period

Spring 2016

- TV Licence Payments
- Passports
- Driving Licences
- Premium Bonds

CAFE

Do you know someone who has not yet joined us on Fridays? Why not offer to bring them with you?

Volunteers are needed for The Hub Cafe on Friday mornings. We organise a rota, so that each volunteer only works once a month. It is a good way of meeting villagers, in a very friendly atmosphere. If you are interested, please contact Sally Humphrey: Tel: 01865 873860 email sallyhumphrey@gmail.com
